

Serving you on campus...

Catering would like to introduce you to some of our food outlets, situated within Highfield campus.

Situated in the heart of Highfield campus in building 42, Piazza food court is open throughout the day serving a range of foods to suit all tastes and budgets. There is also a Starbucks outlet serving all your favourite high street branded drinks and sweet treats.

A great place to meet with friends and recharge. Serving barista style coffees and a variety of refreshing teas. Lattes has a wide selection of decadent cakes and muffins.

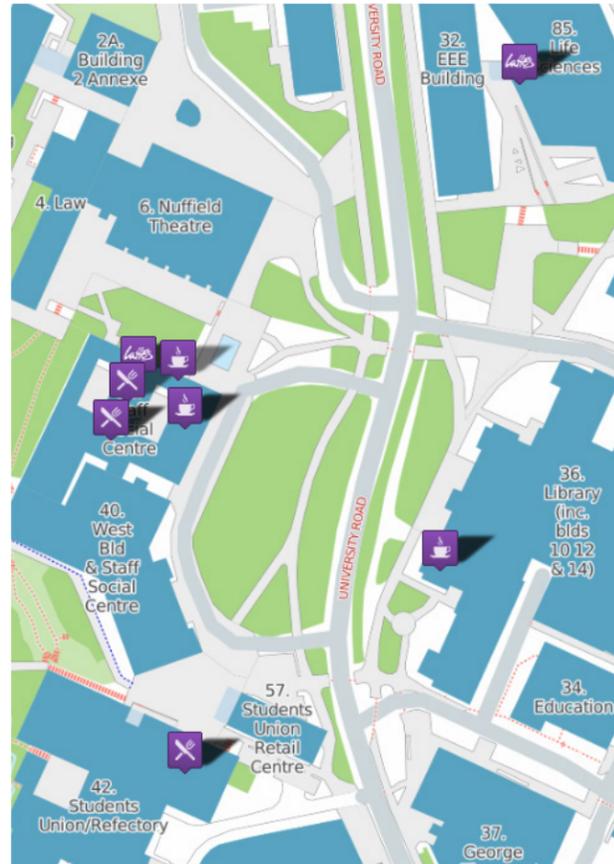

In a hurry, visit food on the go in building 38. We provide a range of salads, sandwiches and snacks to pick up and go.

The Terrace Restaurant located in building 38 is a canteen style service offering authentic and international hot meals and desserts at great value.

The Arlott is both a licensed bar and a Starbucks outlet, where you can purchase all your favourite branded drinks. New for the Autumn term; the bar now serves delicious bowl food, delivered straight to your table, so you can relax and enjoy your lunch break in this welcoming environment or take your meal into the adjoining courtyard.
